SMOKEHOUSE & BURGER RESTAURANT

Where delicious smoky flavours meet culinary creativity! Back in 2017, we started as a loaded fries concept, and over time, we've evolved to offer a range of exotic dishes inspired by our festival experiences.

SANDOS

Feast on our exclusive dish, a tantalising fusion of flavours and textures.

Picture a trio of cheeses - rich Cheddar, creamy Mozzarella, and sharp Parmesan - sizzling together in a pan over a roaring flame grill. Into this melting pot of gooey goodness, we introduce thinly sliced smoked brisket or our signature buttermilk chicken, each adding their unique, succulent flavour. The dish is then elevated with the tang of sour pickles, our bespoke house burger sauce, and the sweet complexity of caramelised onions. A handful of delicate threads of purple slaw adds a refreshing crunch.

This mouthwatering mix is then lovingly crammed between two slices of golden, buttery French toast. A dish that's not just eaten, but experienced - a true celebration of bold flavours and indulgent textures.
